

Supporting the Big Bay Swim

McLean Delmo to sponsor the Big Bay Swim Sunday 27 February 2011

McLean Delmo is once again supporting the Rotary Club of Port Gellibrand by sponsoring the Big Bay Swim. Now in its 21st year, the Big Bay Swim is one of Victoria's premier open water swimming challenge events.

The challenge for participants is to swim over 3.2km from Port Melbourne to Williamstown, with kudos for those who attempt and complete it.

By continuing our support of this event, we assist in raising much needed funds for some of the Rotary projects, such as Challenge Kids Cancer Support Network's Pirates Day, as well as helping other deserving charities and community organisations.

Perhaps you would like to attempt the swim or just come along to support the brave competitors?
Save the date - Sunday 27 February - and we'll see you there.

Images from the 2010 Big Bay Swim sponsored by McLean Delmo.

One hundred and forty swimmers took part in 2010.

Australian swimming champions Daniel Kowalski and Michael Klim supported the swim.
